PACKAGE & COMPANY TERMS

HYPERLINK INFOSYSTEM

Hurry! Hyperlink Infosystem is excited to work with you! We give wings to your dreams!

Company's Terms & Condition:

1. The Full-time offline training will be of 6 Months, from January 2026 to July 2026.
2. The Students will get INR 3,000 per month as a Petrol Allowance during their training period.
3. The students are supposed to sign two & a half years of agreement (including training). For security purpose, they need to submit a cheque of INR 2,00,000. After completion of agreement period, they will get their cheque back, if they are not comfortable to renew their agreement. NO SALARY DEDUCTION OR CASH NEEDED for security purpose.
4. We trust our trainees, but this is to clarify that due to ANY REASON, the signed agreement is breached, even during the training period or during the whole 2.5 years, then the trainee is liable to pay the cheque in trust amount of INR 2,00,000 to the company.
5. The students will have 2nd & 4th Saturdays off during the training and after the completion of the training, they have all the Saturdays off.
6. Agreements will be signed on the very next day of your selection with the submission of cheque & other documents in the office personally with one of your parents.

7. The company may give a chance to work upon Live project during the training period based on the performance of the trainees.

8. The students will be given the technology seeing their potential in the interview process in some cases.

9. Our two years' combined package (After training) is 3.0 LPA from JUN/JUL 2026 to JUN/JUL 2028. The performance appraisal/Increment process will be initiated in JUN/JUL 2028 based on your performance.

10. Please apply for your own cheque book if you have a bank account. If you do not have a bank account then please open a bank account get the cheque book.

11. During the documentation, the cheque from your own account is needed. So, if you cannot submit your own cheque on the day of documentation then you will be given 15 days to submit your own cheque. If the cheque from your bank account is not submitted within 15 days, then your name can be dropped by the company and the company can give chance to other new freshers.

Note: If the students do not clear the interview process as per the expectation, the company may think to give the opportunity still by offering lesser package.

Hope this will help!!

INTERVIEW PROCESS

HYPERLINK INFOSYSTEM

Hyperlink Infosystem follows the simple and easy Interview Process for Offline Campus Drive, which is mentioned below:

1. Registration for the Offline Campus:

After reviewing the company profile and terms, student needs to register their selves via below given link for the offline campus drive process of Hyperlink Infosystem.

The registration will be open for particular duration which will be informed well in advance.

Link of Registration:

https://reporting.hyperlinkinfosystem.net.in/campus_registration

Please copy & paste this link to a different tab & fill the form.

2. Pre-placement Talk:

The HR Representative will visit the campus on the decided date, and will give brief about the company profile, company terms & other necessary details to all the students who have registered themselves for this offline campus drive.

3. Interview Rounds:

→ **HR Round: (Virtual** via Google Form): Will be sent by 10:45 to 11:00 AM on the campus drive day)

- Students will be given a google form via email, in which few HR Related questions like company. terms, student's basic details will be asked. These questions need to be answered honestly, accurately & correct.
- The form will be one confirmation on all the HR terms of the company.
- If student has answered all the questions accurately, then he/she is qualified for the practical round.
- Duration: 30 Mins (submit form by 11:30 AM)

→ **Practical Round:** (ON YOUR Laptop): From 12:00 PM to 2:00 PM

- Students will be given practical task in hard copy.
- Student needs to Bring their own laptop to perform the task.
- Student can perform this task in C++, C#, JAVA, Python/PHP.
- If required, you may use the oops concept.
- You need to keep saving your program in Google drive.
- Duration to perform task: 2 Hours

→ **Submission of the Practical Round:** (via Google Form): Fill up the form by 2:00 to 2:15 PM

- After completion of the practical task, student needs to submit the task via another google form, which will be sent via email/group channel.

- Technical person will review the practical task and if require they can ask instant questions. No anydesk connection is required to review
- The details you will fill in the form will help us to shortlist you for the next round which is Personal round.
- If you do not submit the program within the timeline, PI round cannot be taken.
- If student clears the practical round, he/she is qualified for Personal Round of Interview.
- Duration to submit the task: 15 Mins

→ Personal Round: Face to Face Interview on the same day

- This round will be face to face and Student will be asked few questions based on their practical task and few other relevant questions to check the knowledge, skills & capabilities of an individual.
- Due to time constraint, students might call to the office next day. The schedule will be shared by HR.
- Duration: 35-40 Mins

→ Final Round: Face to Face Interview at office

- This round will be face to face with the CEO Mr. Harnil Oza. Student needs to visit the office most probably next day of the campus drive day.
- HR Will inform the schedule of final round via email on the same day of campus drive.
- Final round of interview will be arranged as per Mr. Harnil Oza's availability.

- HR will keep updating for the same.
- Duration: 20-30 Mins

4. Documentation Process:

Once the student is selected, he/she will receive the offer email on the same day.

Upon offer email, student is supposed to complete the documentation process on the very next day of the placement day.

The list of documents will be sent by HR Coordinator of the Hyperlink Infosystem along with the offer email.

Student needs to be present at the office with one of the guardian to submit all those documents.

Documentation Process includes the agreement signing and submission of the cheque from your own account & other documents.

If you do not have the cheque from your own account then please apply for the cheque book now. And till the time you need to submit your father's cheque for the security purpose if you get selected.

If you do not have own cheque, you will get 15 days extra to exchange your own cheque with your father's cheque. After 15 days if you fail to submit your own cheque then your profile might get dropped and other students will be given chance.

Once the whole process will be completed, congratulations!!, you will be part of Hyperlink Infosystem!! 😊

Kindly read the whole Interview Process carefully.
